

FEMCARE

ENVIRONMENTAL POLICY STATEMENT

In a constantly changing world, Femcare Limited is committed to reducing the impact of its activities on the environment and to operate a business that is positively engaged in creating a sustainable future for generations to come.

Femcare will do this by:

- promoting responsibility for the environment within its organisation and communicating and implementing this policy at all levels within the workforce
- reducing the use of water, energy and other resources where practicable to do so
- reducing pollution, emissions and waste (promoting re-use and recycling)
- meeting or exceeding compliance with environmental legislation and other requirements, such as approved Codes of Practice
- regularly reviewing and updating this policy as we strive for continuous improvement
